

AMAROK OFF ROAD DRIVING COURSES

AMAROK 4X4 EXPERIENCE

Come and see what happens when Tough meets Smart.

The Amarok 4x4 experience gives you the opportunity to experience the Amarok and its unique off-road features and functions over the different types of terrain and obstacles.

The day starts with some insights into vehicle dynamics and Off-Road theory. Once this is mastered, you will be able to power the Amarok through the specially designed 4x4 obstacle course, where you will learn 4x4 techniques and methods to be able to conquer challenging and natural obstacles with your Amarok.

Vehicle recovery and how to safely remove your vehicle from any situation using the latest recovery equipment and techniques will also be demonstrated.

Break for a traditional lunch and refreshments.
