

# Touareg Off Road Driving Courses

## Touareg 4x4 Experience

Spend the day with nature at its best.

Experience the Touareg and its unique off-road features and functions as you discover the different types of terrain and obstacles.

Start the day with a lecture in vehicle dynamics and Off-Road theory, as you power the Touareg through the specially designed 4x4 obstacle course.

Learn the various 4x4 techniques and methods using the corrective action to conquer challenging and natural obstacles.

Break for a traditional lunch and refreshments.
