

## Volkswagen Advanced Safety Driving Courses

### \*Vehicle Safety Course (Corporate)

#### Hi-jack Prevention and Vehicle Maintenance – Full day

A first for the Volkswagen Driving Academy. This full-day course is designed to equip the everyday driver with a familiar approach to safer driving. Start the day with an in-depth Hi-jack prevention lecture, followed by a practical exercise. Breaking for a light executive lunch. Spend the afternoon equipping yourself with basic vehicle maintenance and mechanical advice, leaving you feeling confident.

#### Corporate bookings only

#### Full-day course

Time: 09h00 to 16h00

R 625.00 Incl.VAT (Including Lunch)

### Hi-jack Prevention (Half-day)

Ever been faced with the fear of being hi-jacked? One of the most beneficial courses the Academy has to offer. Learn techniques, escape routes and other important information to either avoid the situation or survive the potential possibility of being hi-jacked.

**Note:** This course is available on the Advanced Safety Driving Course and Safety Driving Course.

R399.00 Incl.VAT

### Advanced Safety Driving Course

#### Defensive Driving, Skidpan and Hi-jack prevention

Get to grips with Volkswagen's cutting edge technology as you experience the safety features embedded into their vehicles. Start the day with a lesson in vehicle dynamics, whereby a practical on the skidpan follows. Learn how to predict and identify hazards and the escape routes, in order to place your vehicle in the safest possible position on the road. This will also help you acknowledge your strengths and limitations and how to use them to your best ability.

Note: Certificates will only be issued to those who pass the Driving Test; failure to pass the test will require you to schedule another date within three (3) weeks at no extra cost.

#### Full Day Course

Time: 08h00 to 16h30

R 1596.00 Incl.VAT (Including Lunch)

### \*Advanced Safety Driving Course (Corporate) Skidpan, Hi-jack prevention and Theoretical and Practical Driving

Specially designed for transportation companies, their drivers of which spend most of their time delivering cargo or passengers. This course utilizes the Road Craft mannerism and can be tailor made to your company's exact driving requirements.

\*Please contact us for more information

### Collision Avoidance

#### Skidpan – Half day

Get to grips with Volkswagen's cutting edge technology as you experience the safety features embedded into their vehicles. Start this half-day course with a lesson in vehicle dynamics, whereby a practical on the skidpan follows. Learn the various skids and the corrective actions required to handle them.

A **Skidpan** is a large, circular area of tar / cement used for various tests of a car's abilities and handling.

#### Half Day Course

Time: 08h00 to 13h00

R 855.00 Incl.VAT (Including Lunch)

### Corporate

The Academy also specializes in corporate events, conferences and a host of other activities such as team-builds. All of the above courses can be combined and tailored to the exact requirements of the company/ group. We require a minimum number of 18 delegates to have an all exclusive day. For any additional information please contact us.
