Change the game

Smart meets stylish.

Change the game in the T-Cross. Volkswagen's first ever compact SUV, the T-Cross was designed for those who blaze their own trails. Tough enough to tread any territory and the most connected of its make, the new T-Cross is as smart as it is strong.

Comfortline: 1.0 TSI 70kW

Highline DSG[®]: 1.0 TSI 85kW

R-Line DSG[®]: 1.5 TSI 110 kW

Hold any **gaze**

Leave a trail of envy in your wake. With a sleek exterior and dominating presence, the T-Cross is guaranteed to turn heads. Eye-catching features like LED lights, the rear reflective band and your choice of seven dynamic paint colours will hold any gaze.

Room for **your crew**

The T-Cross might be compact, but its interior is anything but. Both incredibly spacious and designed with your comfort in mind, the T-Cross gives you plenty of room for your crew. If that's not enough, the adaptable rear seats offer even more space. By sliding and folding forward the rear seats, you can convert your boot space from 377 litres into 455 litres of rear cabin space to spare.

Don't **settle**

Why settle for ordinary when you could have the T-Cross R-Line? With its sleek lines and aggressive stance, the R-Line is uniquely designed for those who grab the bull by the horns. Choose between the Comfortline or Highline and get 17" "Manila" Alloys or 18" "Nevada" Alloys respectively. The next-generation of Volkswagen SUVs have arrived - get in the driver's seat.

Safety in **every seat**

Packed with advanced features and intuitive Volkswagen technologies that put your safety first, the T-Cross will give you the confidence to take on any road. Each T-Cross comes standard with Park Distance Control, ISOFIX for fastening children's car seats and Park Assist. Optional features include Adaptive Cruise Control & Autonomous Emergency Braking with Front Assist and the Advanced Driving Package which includes the Blind Spot Monitor with Rear Traffic Alert, Lane Keeping System and Multi-Functional Sensor.

Automotive intelligence

German-engineered to surpass all expectations, the T-Cross holds Volkswagen's most advanced technology. Explore the future of automotive intelligence and upgrade to the latest sound from beats™ (optional). Using the 12.3-inch colour Touch Screen Infotainment system, you can access Discover Navigation and Active Info Display. The system uses advanced graphics to keep track of useful driving information, and can be configured to your taste with ease.

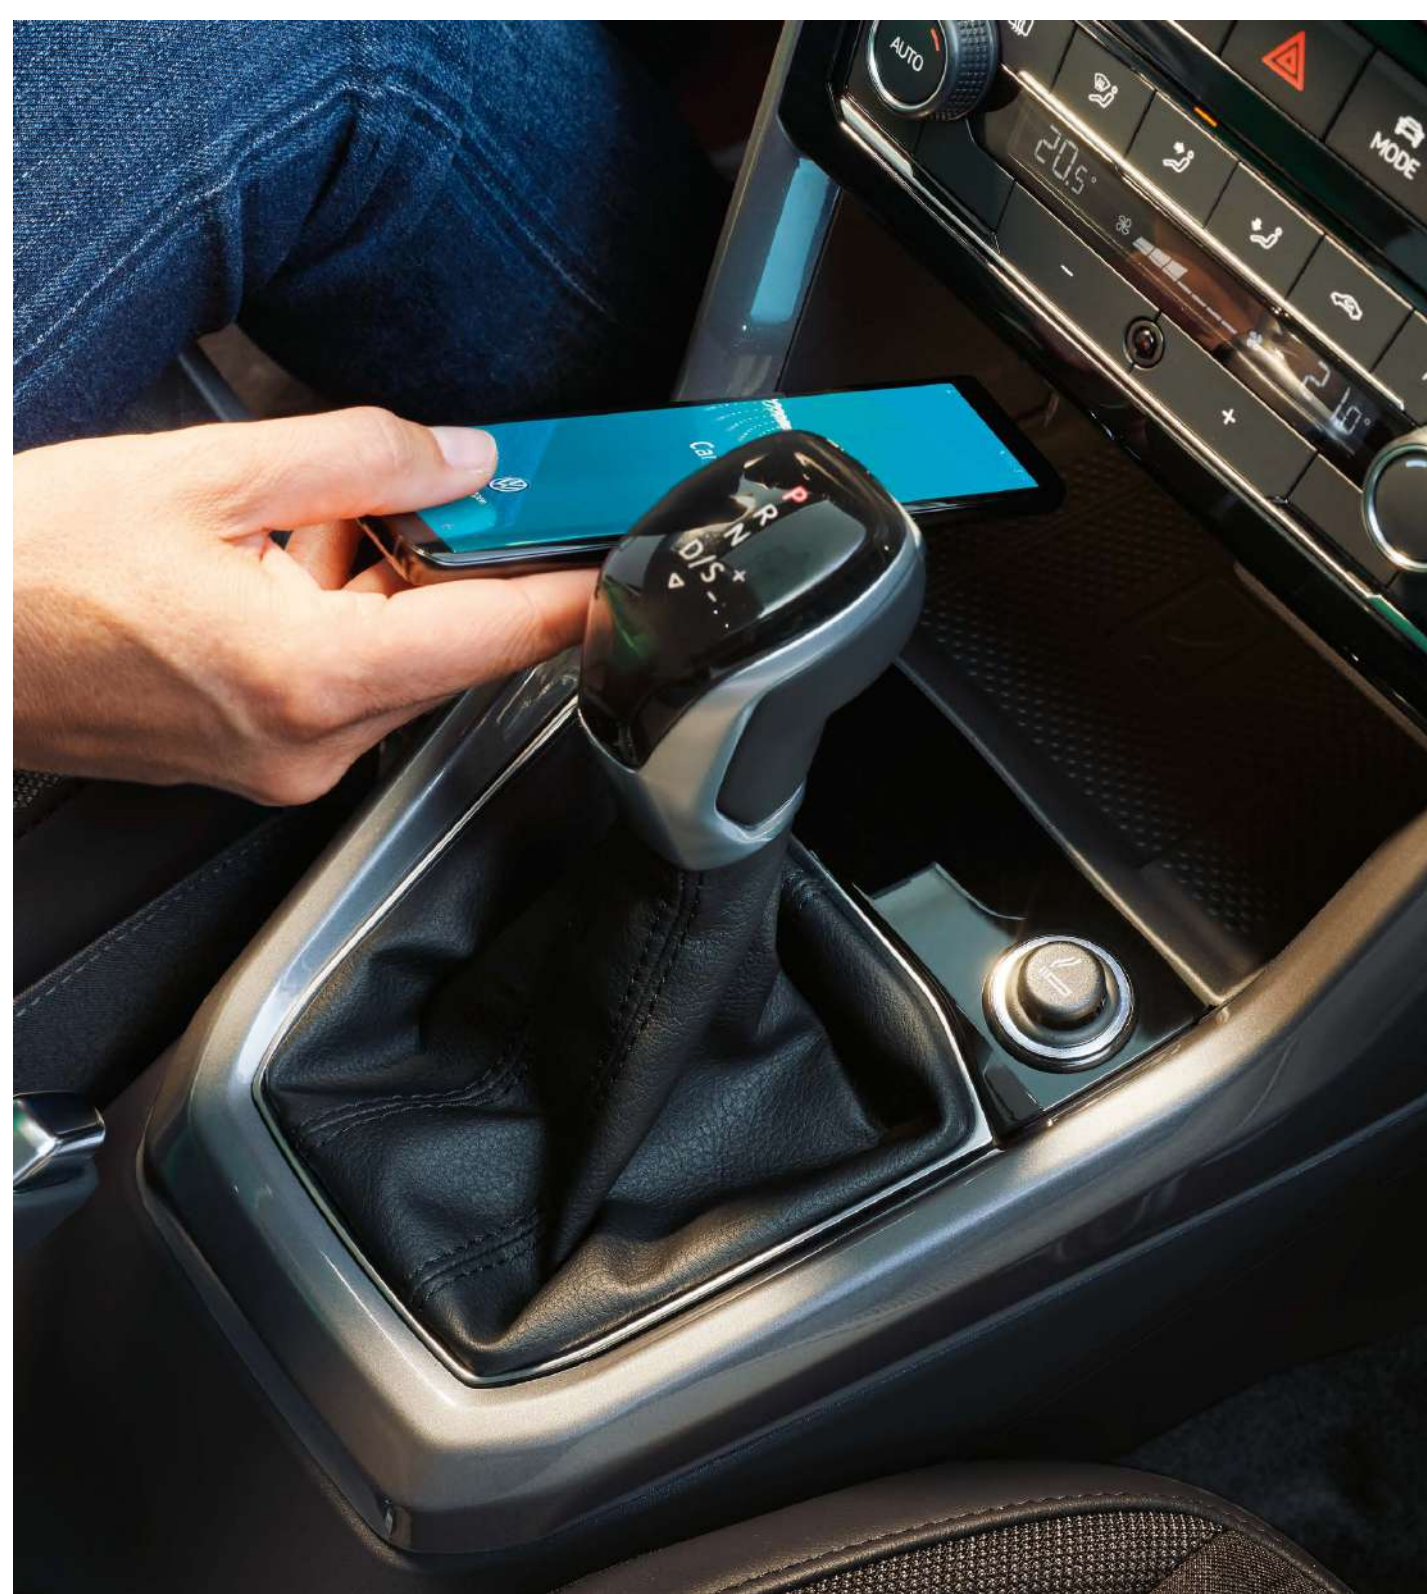

Never miss a beat

Keep in tune with your T-Cross at all times. Using We Connect Go, the new T-Cross seamlessly connects your smartphone to your Volkswagen via Bluetooth using the DataPlug. Compatible with Android and iOS devices, the We Connect Go app shows you your logbook, fuel monitor, driving style analysis and driving statistics, services and schedules, breakdown assistance and parking space locator.

Standard in every T-Cross is AppConnect which brings your smartphone onto your vehicle's touchscreen and includes the latest software applications such as MirrorLink™, CarPlay™ from Apple and Android Auto™ from Google. Want more? You can also charge your mobile device wirelessly by simply laying it in the Inductive charging tray*.

*Only for compatible devices. Not available in Namibia or Botswana.

Impressive, inside and out

Inside, or outside, the T-Cross is just as impressive. Effortlessly leading the way, this SUV encompasses both flair and functionality with first-class features and five-speed manual gearbox, that set it apart from the rest. Taking your performance to the next level, the exterior includes fog lights, 16-inch "Belmont" alloy wheels and black roof rails. The T-Cross not only looks the part but hosts several upgraded intuitive features like an updated Climatronic touch display and leather-wrapped multi-functional steering wheel with Paddle Shifts.

Taking it a step further, the Comfortline offers safety features like Park Distance Control and Cruise Control with a Speed Limiter. Enjoy all this with the security of a 3-year or 45 000 km EasyDrive Service Plan when you purchase the new T-Cross Comfortline.

Unmistakeable **power**

Once you experience the unmistakable power of the T-Cross 1.5 TSI R-Line, you'll never want to leave the driver's seat.

Make the R-Line uniquely yours with design features like the exterior R-Line notes as well as Sports Seats, LED lights (front and back), 18-inch 'Nevada' alloy wheels and your choice of 6 colours. Experience top-of-the-line technology with features like Composition Media, App-Connect, Active Info Display and Driving Profile Selection and wireless charging.

The T-Cross comes standard with a 3 year or 120 000 km warranty, a 3 year or 45 000 km Volkswagen Service Plan and a 12-year anti-corrosion warranty. Service interval is 15 000 km.
