Amarok

Unleash your driving force

Index

This is Amarok

The new Pickup by Volkswagen

There's a force that lives inside us all. A force that drives us to break boundaries and fuels our need to discover more. The force that gives us the power to forge on in the face of adversity with purpose and see every obstacle as an opportunity.

It's the Driving Force inside you – a force to be reckoned with – and it's time to unleash it when you get behind the wheel of the Amarok and experience how the worlds of capability, technology and comfort come together to propel you to unimaginable heights.

Feel as 4MOTION® technology, 2.5-ton towing capacity and 1.1-ton payload helps make your journeys through the toughest terrains effortless, how safety features like Rear and Front Park Assist, Fatigue Detection or Blind Spot Monitoring give you the ultimate peace of mind when you put power to purpose, and how innovative tech like I.Q Light, Area view 360° camera to make you feel like you're always one step ahead even when you're conquering terrain miles away.

Design that dominates

The Amarok was designed with one core purpose in mind: to help you conquer whatever terrain you encounter as you explore a new world. Improved dimensions like a 1.2 m load compartment width gives you the ability to add more to your world, while a higher slope angle and improved ground clearance makes for improved off-road capability.

The Amarok's performance is punctuated by powerful contours that define its all-new, modern design, while a redesigned radiator grille, IQ. Light technology and wheels up to 21-inch remind us that style and capability go hand in hand when opening your world in the Amarok.

The charismatic grille and front is the ultimate bold statement with the undeniable Volkswagen DNA woven into it. This distinctive design aesthetic continues into the bars which run horizontally across the radiator grille with the concisely integrated LED headlights which come standard in all Amarok models.

Sporting a static roof load capacity of 350kg, the Amarok gives you the freedom to open your world. From setting up camp wherever your heart desires with a rooftop tent, or carrying an extra load for those long adventures, it's all waiting for you in the Amarok.

Design features of the Amarok:

- 100% all-new Volkswagen DNA
- IQ. Light LED headlights and LED tail lights
- Wheels 16"/17"/18"/20"/21", all-terrain tires up to

Engineered to enthrall

From the outside right into its cabin, the Amarok radiates confidence and prowess whichever way you look at it. A premium and stylish interior adds character, while its progressive design reminds you that there's more than enough in the Amarok to help you reach your destination in comfort and style.

The Amarok range spans across 5 variants: the Amarok, Amarok Life, Amarok Style, Amarok PanAmericana and the Amarok Aventura.

The Amarok

The entry level Amarok models have been bolstered with a host of technologies and features (model dependant) such as electrically foldable side mirrors, LED headlights, curtain airbags, 10-inch diagonal colour touch-screen infotainment system and trailer hitch and rear locking axle that gives you enhanced driving comfort and capability for the ultimate off-road experience.

Built for the business enthusiast, discover the power of practicality in the Amarok Double Cab with a maximum payload of 1.2 tons and load bin compartment width of 1.2 meters. Personalise your driving experience in the Amarok Double Cab which comes equipped with Normal, Eco and Slippery driver profiles, fit for any road you choose. Be seen and see more with fully fitted LED headlights which comes standard in the Amarok Double Cab. Tough enough to handle it all, the Amarok Double Cab boasts ample storage in the load bin, paired with six tie-down hooks and integrated cargo lights on the sides. Business calls in the Amarok Double Cab.

The Amarok Life

The Amarok Life is the reliable companion for anyone who appreciates comfort without sacrificing off-road capabilities; with 125kW Combra Alloy wheels, leather-wrapped multi-function steering, electronic parking brake and the ability to lock the tailgate via the remote. Navigate any urban space with Park distance control (front and rear) and a rear-view camera, standard across all Life models. The Amarok Life has everything you need to lead the life you want.

*Local specification differs from model shown

The Amarok Style

Style with substance, that's what you get in abundance with Amarok Style. With alluring features like chrome styling bar, 18-inch Amadora Alloy wheels, auto high-beam Light Assist, keyless entry, electric front seats and 12-inch diagonal colour touch-screen infotainment system to go with its modern design, the Amarok Style is impossible to ignore.

Style and comfort with the looks to go are all part of the package in the Amarok Style with features like Savona Leather.

The Amarok Dark Label

Power Meets Precision with the Amarok Dark Label, available with a choice of 2.0 TDI (125kW) and 3.0 TDI V6 (184kW) engines. Conquer every terrain with this dark knight, boasting 20-inch alloy wheels in matte black, black front apron & grille, black exterior mirrors, matte black B-pillars, dark rear windows, black bumper, darkened taillights and many more.

The Dark Label ensures comfort on every journey with ArtVelours microfleece seats that come with a heated option (exclusively front seats).

The Amarok PanAmericana

The Amarok PanAmericana makes its presence felt from the moment you see it. Geared for the off-road inside and out, its hunger for off-road terrain can be seen through its robust and rugged, yet premium design.

The Amarok PanAmericana is a true icon making its presence felt wherever it pulls up with black painted 18-inch Amadora alloy wheels. The Amarok PanAmericana is a beautiful beast with exciting features such as dark matte grey accents, IQ. Light LED headlights, LED tail lights, black tubular styling bar, silver roof rails, Harman Kardon sound system and Cricket leather seats. To compliment this the PanAmericana shares a host of driver assistance systems with the Amarok Aventura.

The Amarok Aventura

IQ. Light LED headlights, an exclusive X-design, eye-catching chrome finishes on the mirrors and door handles, 21-inch Varberg Alloy wheels, sports bar, silver roof rails and electric roller cover for the load bed which includes a cargo management system are all included in the lifestyle orientated Aventura.

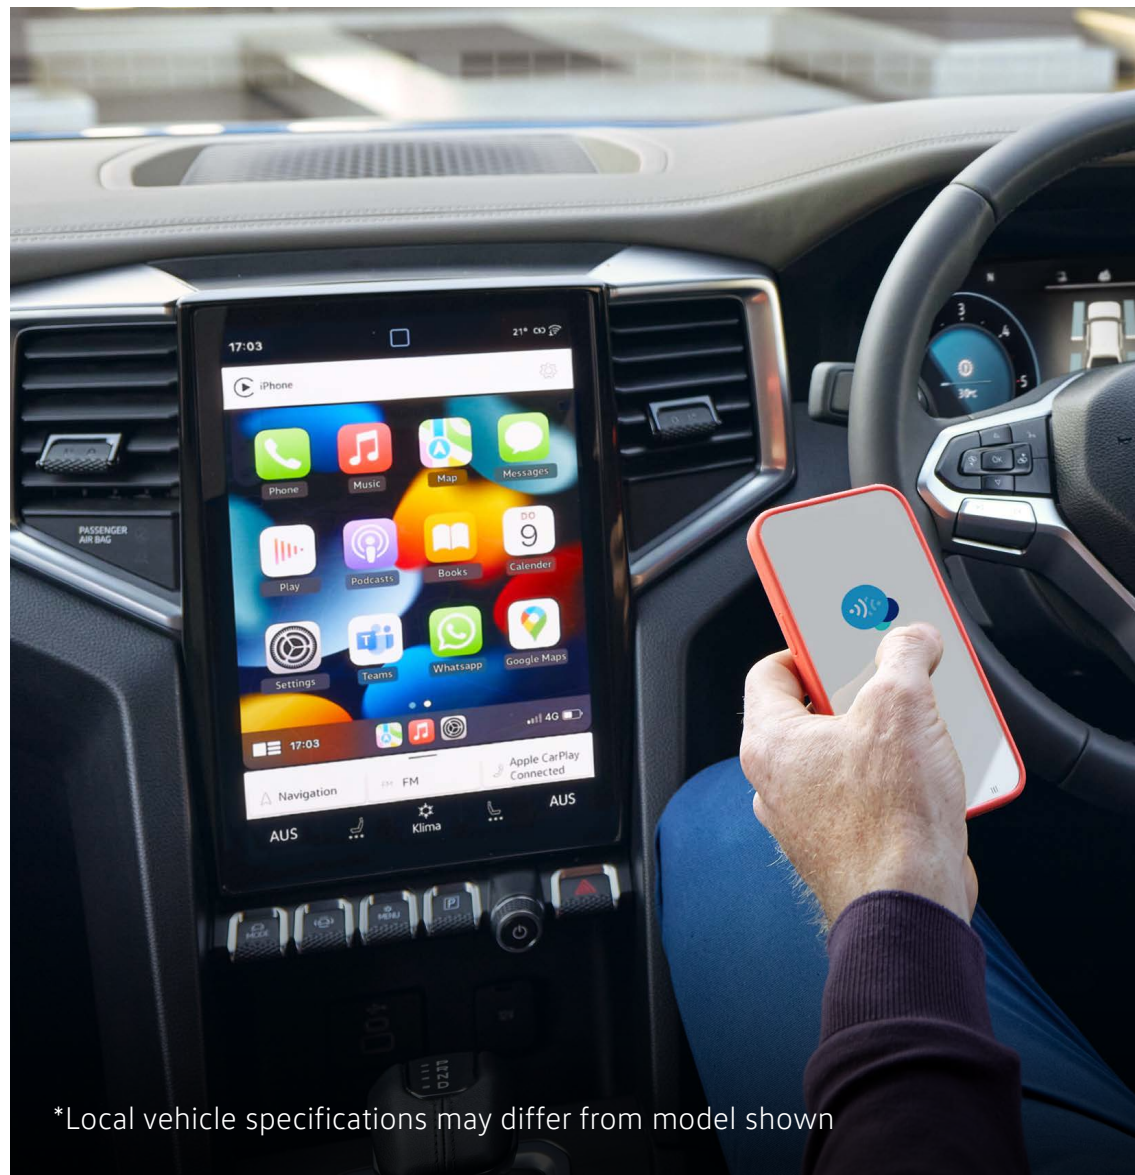

Standard advanced driver assistance systems like rear cross traffic alert, Park distance control in front and rear incl. Rear traffic alert for trailer maneuvering system trailer assist. Autonomous Emergency braking Front Assist with Pedestrian and Cyclist Monitoring with Traffic Jam Assist, Area View 360° camera, not only give you a stylish drive but a smooth one too.

Experience top of the range driving like no other with Savona leather seats, navigation system, ambient lighting and the impressive Harman Kardon sound system – The Amarok Aventura is an adventure with a premium finish.

Discover a new world at a touch of a button

Step inside and immerse yourself in premium comfort as you head out and explore all-new paths.

*Local vehicle specifications may differ from model shown

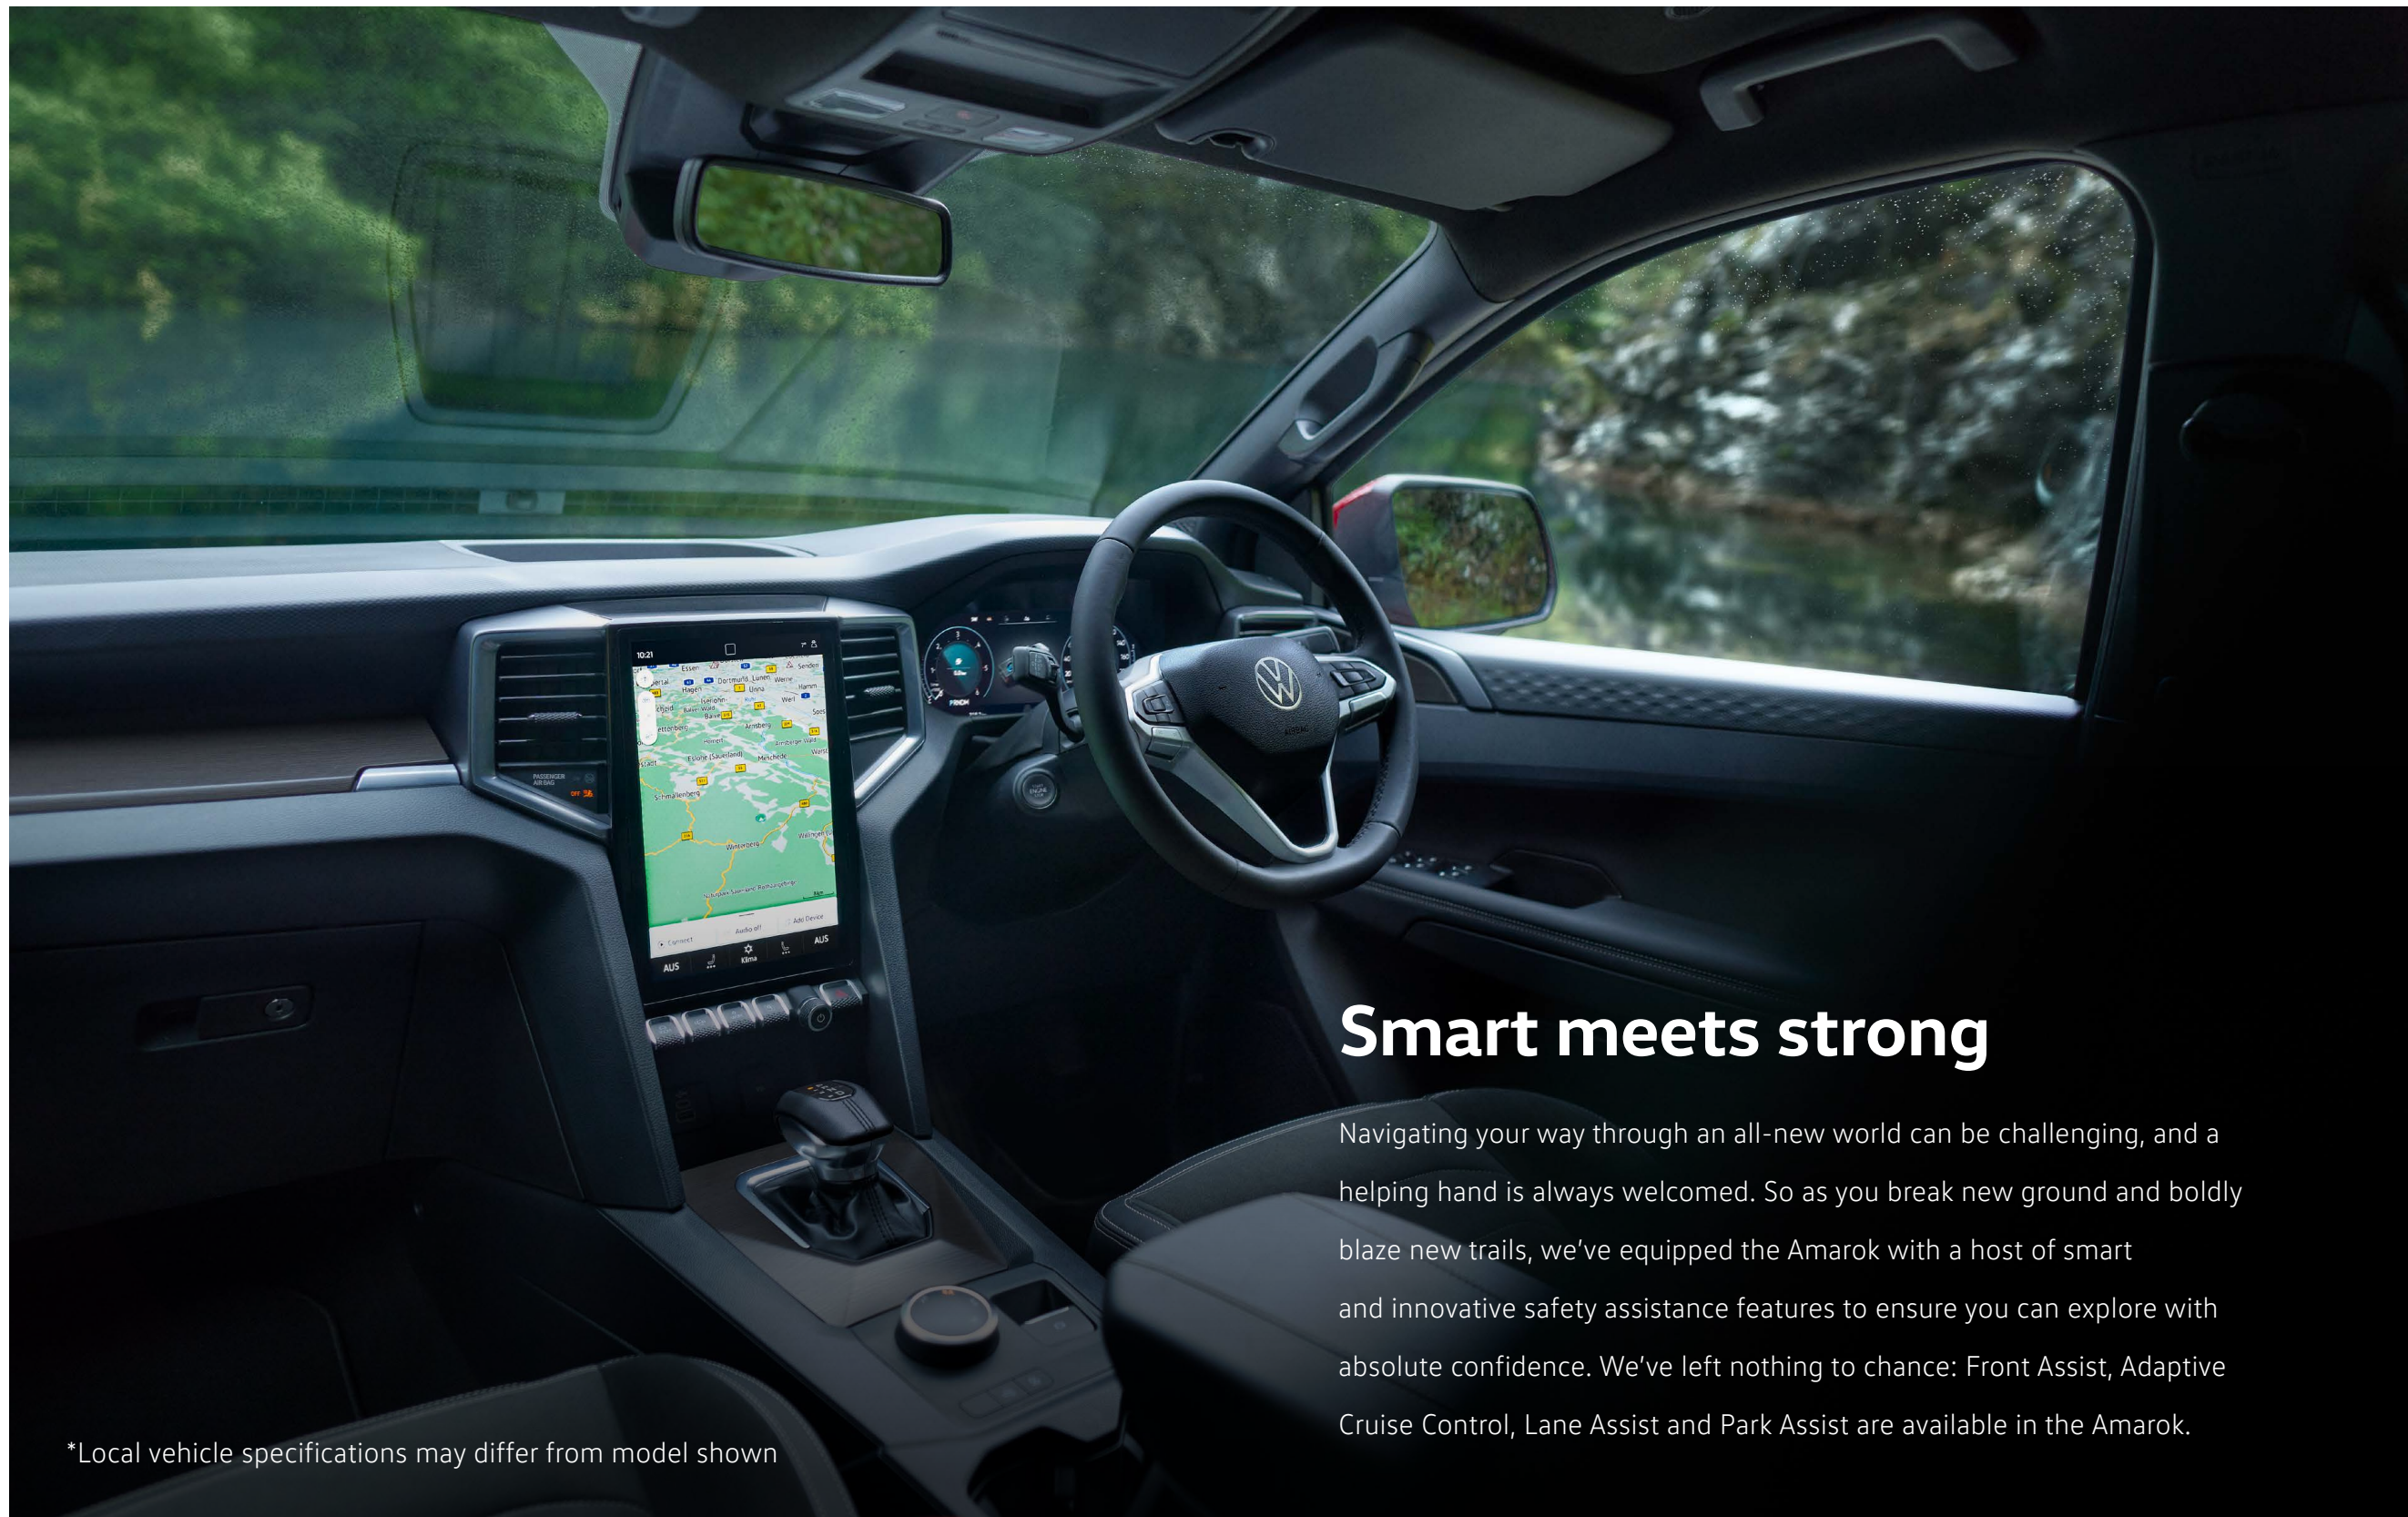

The colour touchscreen infotainment system with navigation helps you navigate your way through every journey, while dual-zone automatic air-conditioning, electrically adjustable seats, inductive charging and Active Info Display for the instrument cluster give you all the comforts you need to discover new frontiers.

Keyless entry and push start makes forging a new path even more effortless and Adaptive Cruise Control with Traffic Jam Assist ("stop and go" feature) makes sure you're always in control.

Easy on the eye, tough on the terrain

Smart, sophisticated, sleek. These are just some of the words you could use to describe the Amarok's modern design, but when the time comes to dig deep, you'll see the Amarok has what it takes to power through with features like its 800mm wading depth, 300mm more than the previous Amarok.

Smart meets strong

Navigating your way through an all-new world can be challenging, and a helping hand is always welcomed. So as you break new ground and boldly blaze new trails, we've equipped the Amarok with a host of smart and innovative safety assistance features to ensure you can explore with absolute confidence. We've left nothing to chance: Front Assist, Adaptive Cruise Control, Lane Assist and Park Assist are available in the Amarok.
