Made for more

Imagine turning heads on your morning commute, then comfortably packing up for a weekend getaway. The VW T-Cross is more than just an SUV; it's the perfect companion for those who want it all – style, space, and endless possibilities. Refined and stylish for everyday living, yet versatile and spacious enough to handle any adventure. Functional, flexible, and versatile, the T-Cross is designed to help you embrace everyday possibilities and make every moment count. Wherever you go in the new T-Cross, you're exactly where you need to be.

Make the road **your runway**

The T-Cross' bold silhouette commands attention, while its eye-catching colour palette keeps all eyes on you. But the T-Cross's appeal is more than just skin deep. Its meticulously sculpted lines flow seamlessly from the distinctive front grille to the dynamic rear profile. This is a compact SUV that refuses to compromise on style or substance – a powerful presence that sets you apart from the crowd. Choose your trim, wheels, rims, paint finish, and accessories to create a look that's uniquely you. This is urban style, amplified.

Power meets **precision**

Feel the pulse of the city with a fuel-efficient turbocharged engine, capable of unleashing up to 85 kW of power, with 5500 RPM and a robust 3500 Nm of torque. Innovative regenerative braking enhances efficiency without hindering performance. Responsive steering connects you to the road, while the carefully tuned suspension effortlessly absorbs bumps and dips, ensuring a smooth and controlled ride for you and your passengers. Whether you're navigating tight city corners or cruising on the open highway, the T-Cross responds with precision and agility. Where will your next adventure take you?

Stay in sync

Seamlessly integrate intuitive technology into your life with the T-Cross' touchscreen infotainment system, complete with an easy inductive charging station for mobile devices. From navigation and music streaming to hands-free calling and App-Connect, control your digital world without taking your hands off the T-Cross' responsive power steering.

Let your music take centre stage with the BeatsAudio™ sound system, featuring a powerful subwoofer and six premium speakers to elevate your audio experience. And when your journey takes you past sunset, the T-Cross illuminates the road ahead with brilliant LED headlights, ensuring optimal visibility with a touch of style.

If you're serious about having the latest tech, opt for the available IQ.DRIVE package, featuring advanced driver-assistance systems that further enhance convenience on every journey.

Where safety and style cross paths

Navigate with confidence knowing the T-Cross is equipped with a comprehensive suite of safety features designed to protect you and your loved ones. Standard safety features include Electronic Stability Control, electronic brakeforce distribution, multiple airbags, and a 3-year / 120 000 km warranty plus a 3-year / 45 000 km service plan.

This SUV goes beyond the essentials, offering a vigilant ultrasonic interior alarm, while childproof locks and ISOFIX child seat anchor points keep your most precious passengers safe and sound. The advanced driver attention and drowsiness monitor keeps a watchful eye, monitoring your alertness and gently reminding you to take a break when needed. When you're in the T-Cross, you can relax and enjoy the journey, knowing that you and your family are in good hands.

Space to **explore**

The T-Cross is the perfect SUV for families who embrace both urban adventures and weekend escapes, effortlessly adapting to the rhythm of your busy life. Whether it's school runs, grocery hauls, or daily commutes, the T-Cross navigates with ease thanks to its compact size. But step inside, and you'll be surprised by the spaciousness of its thoughtfully designed cabin.

*Images do not show the Black roof rails, which are now standard.

Command the road with the high seating position, offering an impressive field of vision. And if you need to pick up something bulky, the rear seats fold forward, transforming the T-Cross into a cargo-carrying champion.

When the weekend calls for adventure, the T-Cross is always ready to go. With its ample cargo space, there's room for everything and everyone you need to make lasting memories.

T-Cross R-Line: **Rule the road**

For those who crave a touch of sportiness, the T-Cross R-Line is the perfect blend of practicality and performance-inspired design. From the striking R-Line bumpers and distinctive rear spoiler to the stylish alloy wheels, every detail exudes a sense of athleticism and sophistication.

Slide into the sculpted sport seats and you'll experience meticulous design, crafted to heighten your enjoyment behind the wheel. Grip the leather-wrapped steering wheel and feel the power with every turn. The R-Line's selectable driving modes allow you to tailor the car's performance to your mood, adding a touch of dynamism to your everyday drive. This is where urban sophistication meets performance-inspired design.
