

Volkswagen Advanced Driving : 2026

# Safety Driving Course

Start this full-day course with a lesson in vehicle dynamics, this is followed by a practical on the skidpan where you put this theory into practice as you experience emergency simulations.

The defensive driving module ensures greater awareness when faced with day-to-day driving situations.

Learn how to predict and identify hazards and escape routes, in order to place your vehicle in the safest possible position on the road.

The Hi-Jack Prevention will help with important information to either avoid the situation or survive the potential possibility of being hijacked.

Full Day: 08h00 –16h30

Modules: Skidpan, Defensive Driving and Hi-Jack Prevention

Includes lunch & refreshments

Certificate on successful completion

Training Vehicles: Volkswagen Range

Instructor in each vehicle at all times  
On-site medic

R 4100.00 per person

Pricing valid for 2026 and subject to change

# High Performance Driving Course

Anyone can drive fast in a straight line, but not everyone can react quickly and safely around corners. This full day course will give you the ability to vary your speeds effectively according to different road and traffic conditions.

Start the day with a lesson in vehicle dynamics, and then put theory into practice as you experience emergency simulations on the skidpan. Hone your technique through practical exercises on the race circuit, as you learn about Volkswagen's technological and safety features.

**Full Day: 08h00 –16h15**

**Modules: Track and Skidpan**
