Disclaimer

*A combination of leather and high quality durable materials
**All diesel vehicles require low sulphur grade diesel of 50 ppm or lower.
Fuel consumption and CO₂ emissions values were obtained in accordance with the prescribed uniform measuring standard (SANS 20101: 2006 / ECE R101: 2005 in its currently applicable version). The verified values do not apply to a specific vehicle and do not constitute part of the product offer. They are provided solely for the purposes of comparison between different vehicle models. Because of the need to maintain strict comparability of results achieved by the standard tests, they cannot be fully representative of real-life driving conditions. Variations in driving styles and in road, vehicle and ambient conditions, will have a bearing on the results achieved on the road. For these reasons consumption achieved on the road will not necessarily accord with these verified values.

Based on lightest variable (no options) and 90% tank filling. Weight may vary depending on options fitted to vehicle.
Dimensions, capacities and abilities apply to standard vehicles.

Your helpful travel companion

**It's not a real adventure if you don't
need a little help on the way.**

That's why the California 6.1 has a range of driver assist safety systems, like:
Cruise Control, anti-theft alarm system with interior monitoring in-cab;
back-up horn; towing protection; Driver Alert System; driver and front
passenger airbags with front passenger's airbag deactivation button.
All combining forces to make the California 6.1 your most trusted travel
companion yet.

Local vehicle specifications may differ from model shown.

Camping essentials sorted

The California 6.1 is fully fitted with a range of camping and outdoor essentials to ensure you're perfectly equipped for every journey.

The range of equipment includes:

- Bed extension for rear bench seat.
- Camping table for inside or outside use built into the sliding door.
- Two folding chairs in the tailgate.
- Camper control unit with touch screen which operates and/or displays battery charge level, battery capacity, external temperature, fresh and wastewater levels, alarm clock, parking heater, interior lights and cool box temperature.
- Gas hob with two burners.
- Gas tank storage in bottom of rear wardrobe for 2.8 kg gas cylinder with gas pressure regulator and shut-off valve.
- Kitchen cupboards in Bright Oak wood-effect.
- Loft bed (approximately 2,000 x 1,200 mm) with comfortable sprung base, mattress and child safety net.
- Programmable air parking heater, pull-out awning with housing and rail in silver.
- Stainless steel sink with adjustable tap and removable washing-up bowl.
- Two additional AGM leisure batteries, maintenance-free (one battery with cut-off relay).
- 230 V inverter with socket on driver's seat.
- 30 V external inlet with charging feature for vehicle batteries and internal 230 V outlet on the side of the kitchen unit.
- Waeco compressor cool box with removable basket (approximately 42 litres).
- Wardrobe in rear with hanging rail and mirror.
- Wastewater storage tank (approximately 30 litres) with lockable external filler cap and electric pump.

Comfort meets **connectivity**

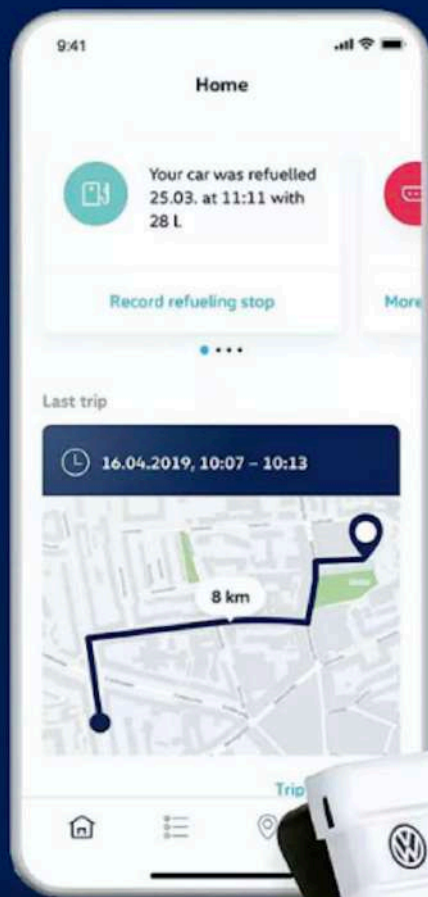

No matter how far you go, always stay connected in the California 6.1 with intelligent WeConnect Go and next-generation infotainment systems.

The new infotainment systems are fully touchscreen and feature redesigned graphics, keeping you completely in touch while you get away.

You can also charge your mobile wirelessly* by simply laying it in the Inductive charging tray so that you never lose connection no matter where your journey takes you.

*Mobile phone compatibility dependent

Stay in touch **Stay in tune**

Get ready for every drive to be more digital, closely integrated and comfortable.

A wide range of services give you quick access to the California 6.1 – conveniently via your smartphone. We Connect Go includes various vehicle reports, useful tools for service planning and a breakdown call. App Connect lets you display your smartphone apps on the touchscreen of your infotainment system – meaning you can now seamlessly link between your phone and your California.
